A five-minute pre-game warm up will be given unless games are running behind schedule. Halftime shall be no longer than 3 minutes. No games will start before the scheduled time. Overtime period will be two minutes in grades 2 through 8 and three minutes in grades 9 through 11. **The third overtime period will be sudden death (the first team who scores wins).**

1. In the 9th grade through 11th grade age brackets a player will be disqualified after committing a 6th personal foul (technical fouls are included). A player will be disqualified after committing a 5th personal foul in all other age brackets.
2. A total of (3) time-outs per game will be allowed to each team. One (1) additional time-out per team will be awarded for each overtime period. There will be no carry-over of time-outs from regulation to overtime periods. Regulation sized basketballs will be used for boy's 7th grade division through High School Division. All other divisions in boys and girls competition will use the smaller sized basketball (28.5).
3. Two (2) Technical fouls during a game on any player, coach, or team representative will result in their disqualification for the rest of the game.
4. The clock will be stopped for all whistle stoppages. Not a continuous clock.

5. The One & One Bonus will start on the 10th team fouls each half. No Double Bonus.
6. Each team is responsible for their warm-up and game balls and/or any other items brought to the game. The tournament sponsors or their representatives are not responsible for lost items.
7. 20 points+ leads will result in continuous clock until lead is less than 20 points.
8. Officials and site directors must contact the executive staff before any game will be called a forfeit.
9. Protest - Team may file a protest of a player before or after a game. Protest filed before must be made 30 minutes before the start of the game. Protest filed after a game must be made within 5 minutes of the end of the game.

The protesting team must put \$150 cash in the court monitors hand before the protest can proceed. Protests are for a single player protest not entire team.

Once the protesting team pays the fee and names the player the opposing coach has 5 minutes to produce a report card and / or birth certificate. The birth certificate and / or report card are given to the court monitor who will then take the accused players to a quiet place away from the court and all parties involved. The court monitor will ask question to the accused player and determine if they are indeed in violation of tournament rules regarding grade and age. The court monitors decision is final.

If the protest is upheld and the player is determined to be in violation the \$150 will returned to the coach. The player is ineligible to participate in the rest of the tournament. A game played with an ineligible player is forfeited.

If the court monitor says the player is in the right grade and for the tournament the \$150 is forfeited by the coach. The accused player is able to continue playing in the tournament.

As tournament director I will support the decision made by my court monitor

Tiebreaker for play-offs:

1. **Head to Head**
2. **Point differential...**Maximum 15 points. (Forfeits are scored at 15-0) Point differential calculation is based solely on the games between the tied teams. (In the event of a three-way tie for **first**, point differential will be used to establish the **pool winner**, then revert to head to head for second and third placements.)

Defensive Point System- If 3 teams remain tied after the above tie breakers the team with the lowest total points allowed will advance. The remaining teams will revert back to tie breaker #1
